

# Teachings of The Great Outdoors

## Exploring Nature, Robin Finds Herself

On a quest to discover her true calling, Robin, a curious and thoughtful young girl, struggles to answer a challenging homework question about what she wants to be when she grows up. Her mom then proposes an adventure in the woods to find answers together. Along the way, Robin learns valuable lessons from the earth, trees, rivers, and birds and how the natural world can serve as a powerful teacher.

*Teachings of the Great Outdoors* reminds us all that the path to self-discovery can be woven through the tapestry of nature. Robin's heartwarming story encourages young readers to forge their own unique paths and cherish the vital connection between self and nature, connecting with the natural world, drawing inspiration and guidance from its timeless wisdom.
